WHAT MAKES SOMETHING
JUST...PERFECT?

It's not just the right meal, or the right place, or the right people. True perfection only happens when they all come together.

At Brasserie Kronenbourg, we look at brewing the same way. It's not just the way we craft our ultra-premium Kronenbourg 1664 lager with rare Strisselspalt hops, or infuse our refreshing Blanc with a hint of citrus and coriander spice. It's also 350 years of master brewing experience and our unique French style that help make every bottle so special.

Sometimes it can be hard to describe a combination that perfect. But the French have a saying for it...
